Farsophone Counselling Service Individual & Family/Couple Therapy

**Piloted in Partnership with Barnet PCT
Based at the Advice and Information Centre,
Edgware Community Hospital**

Designed to offer free counselling and psychotherapy service for FARSI (PERSIAN) SPEAKING individuals and families

Farsi (Persian) speaking consultants, qualified practitioners and advanced trainees will provide Counselling and Psychotherapy within BACP/UKCP Ethical Framework for Good Practice and will be supervised by experienced qualified supervisors

Referrals

- Referrals are accepted from individuals and through medical professionals, statutory and voluntary agencies. This is by completing the referral form provided by Counselling Service
- A detailed psychological assessment will be carried out by the Counselling Coordinator
- Where appropriate, counselling or psychotherapy will then be offered for a specific period, 12 to 24 sessions subject to review

To make a referral please call 02089512004 or 07914 965 511.

You can also email us on counselling@farsophone.org.uk

Other services offered by Farsophone:

- Persian Library – book lending
- Welfare and Legal matters including assistance with official correspondence
- Youth network
- Barbad Cultural and Befriending Club (including the day time gatherings)
