

Farsophone Counselling Service
Information and Advice Centre, First Floor
Edgware Community Hospital
Burnt Oak Broadway
Middlesex
HA8 0AD

Farsophone Counselling Service

**Individual Therapy, Family/Couple
Therapy, Arts Psychotherapy for
Children and Young People**

**Designed to offer free counselling and
psychotherapy service to FARSI (PERSIAN)
SPEAKING individuals and families**

Farsi (Persian) speaking qualified practitioners and advanced trainees will provide Counselling and Psychotherapy within BACP/UKCP Ethical Framework for Good Practice and will be supervised by experienced qualified supervisors

Referrals

Referrals are accepted from individuals and through medical professionals, statutory and voluntary agencies. This is by completing the referral form provided by Counselling Service

A detailed psychological assessment will be carried out by the Counselling Manager

Where appropriate, counselling or psychotherapy will then be offered for a specific period, 12 to 24 sessions subject to review

To make a referral please call the Counselling Service on 020 89512004 or 07914 965511

You can also download our referral form from: www.farsophone.org.uk

Or email us on counselling@farsophone.org.uk
